

A GREAT CUP OF COFFEE

and a great sense of pride in helping the people who've protected our freedoms.

Camp Patriot has teamed up with Equal World Coffee to bring you tasty coffee and satisfaction in helping to support fundraising efforts to benefit our veterans.

Eliminating Poverty

FOR THE FARMER

It is our belief that the only way to sustain continued improvement on the lives of impoverished coffee farmers in Africa is to do business as a Fair Trade Certified™ Company. Then, by working closely with an exceptional roaster, Equal World Coffee is contributing to the education, training, equipping, promotion and empowerment of the coffee cooperatives we purchase from.

A LITTLE HISTORY OF EQUAL WORLD COFFEE

This specialty coffee is grown in the "land of 1000 hills" called Rwanda. This tiny East African nation has perfect coffee growing conditions. The unique mix of altitude, soil and Temperature result in perfection when it comes to Award Winning Specialty Coffee.

Equal World Coffee is grown by the poorest farmers in the world. These subsistence crop farmers plant coffee to earn money for basic healthcare, school fees and a better life.

Equal World Coffee guarantees FAIR TRADE to the growers. (Many Big name Coffee companies claim this but only pay a very small percentage then buy at the lowest price for their bulk to make lots of cash!) Not EWC! EWC goal is to help the farmer not be poor anymore by doing business with them.

Camp Patriot is going to receive 30%, (Three dollars a bag!) So, Not only do you get premium coffee but you help a poor farmer and our Disabled Veterans!

OUR BRIDGE TO FUNDRAISING

**WE PAY FAIR TRADE™ PRICES TO OUR AFRICAN COFFEE FARMER COOPERATIVES
WE SELL LOW TO OUR CUSTOMERS WHO ARE RAISING FUNDS FOR THEIR ORGANIZATION OR CAUSE.
WORKING TOGETHER WE BUILD THE BRIDGE FROM THOSE IN NEED TO AN EQUAL WORLD MARKET.**
